This delightful one-bedroom apartment is located in one of the most exclusive and trendy areas of Milan: the Moscova district. Particularly renowned for its boutiques, stylish venues, and modern skyscrapers, Moscova is without a doubt one of the favorite destinations among Milanese residents—whether for an after-work aperitif or to enjoy a good drink with friends over the weekend. Just a 9-minute walk from Piazza Gae Aulenti (and its impressive UniCredit Tower) and Corso Como, this apartment also boasts a strategic location: its proximity to the Moscova stop on the green metro line (M2) makes it easy and convenient to reach every point and attraction the city has to offer.

The apartment is located on the fifth floor of a casa di ringhiera building, a typical early 20th-century Milanese structure characterized by a series of apartments aligned side by side along a shared balcony.
